

FISH4CASH

2007-08 Angling Season Promotion

The Service is offering licensed anglers \$6000 in the 'Fish 4 Cash' promotion as an added incentive to go fishing during the 2007-08 season.

Over the first six months of the season, six tagged fish will be released into waters around the State.

Each fish is worth \$1000 cash to the angler who returns the tag together with the whole fish and current licence details to the Service before the end of July 2008.

The tag is distinguishable by colour and labelling from others used by the Service for routine fisheries work.

Details of the timing and exact location of each fish release will be given on the Service website (www.ifs.tas.gov.au) along with the latest results of the competition.

Conditions:

1. The promoter is the Inland Fisheries Service, Tasmanian Government. ABN 332 945 529 09.
2. The Service will release six tagged fish at selected waters during August to December. Notice of each release will be given via the Service website and electronic newsletter, *AnglerNews*.
3. To enter the competition, an angler must be a current 2007-08 licence holder. To win, a licence holder must catch one of the tagged fish and return the fish and tag to the Service before 31 July 2008.
4. The competition starts on 4/8/07 and runs for the full licence period until 31/7/08.
5. The Service will collect entrant's personal information so as to verify status as a licence holder.
6. The Service reserves the right to publish names of the winners of the competition and to promote the results regularly.
7. It is the responsibility of the winners to contact the Service and to redeem the winner's cash prize, which has a total value of \$6000 and \$1000 per fish. Any costs in excess of the value of the prize (including GST) and all ancillary costs associated with redeeming the prize are the responsibility of the winner. The Service shall not be liable for a prize that is lost, stolen, damaged or tampered with in any way.
8. Employees and immediate families of the Inland Fisheries Service are ineligible.
9. Winners will receive a cheque for \$1000 from the Service upon confirmation by the Service that the competition criteria (ie fish, tag and licence) have been satisfied. The decision of the Service is final and no correspondence will be entered into.
