

# Talk trout Tasmania

**Great Lake Community Centre, Miena**

**7 pm on Friday 15 October 2021**

Light supper provided

---

Hear from the IFS talking about:

*Turbid lakes and stocking rates - lakes Crescent and Tooms.*

*Are there any carp left in Lake Sorell? An update on the Carp Management Program.*

*How collected information about your catch supports fisheries management.*

*Arthurs Lake – the brown trout spawning run and the fishery.*

*Infish app 2021- a new world of inland angling in your pocket.*
